ABOUT ME

Senior Manager who experiences in finance operations, accountancy and project accounting for Public Listed Company and Government Agency.

-Professional member of Chartered institute of Management Accountant (CIMA), Chartered Global Management Accountant (CGMA) and Malaysian Institute of Accountants (MIA).

PROFESSIONAL EXPERIENCE

Century Software (M) Sdn Bhd (2023 – Current)

Head of Pre-Sales

- I lead and mentor a high-performing team of presales professionals, driving revenue growth and exceeding sales targets. I develop and execute presales strategies to position our cutting-edge products and services effectively in the market, collaborating closely with sales and marketing teams to identify and capitalize on business opportunities. With a deep understanding of our offerings, I conduct compelling product demonstrations and presentations to showcase the value proposition to potential clients. Through continuous market analysis and customer feedback, I refine our presales approaches and ensure seamless coordination across departments.

Awantec Systems Sdn Bhd (2021 - 2023)

Head of Business Operations

- I am responsible for overseeing and optimizing the company's overall operations to drive efficiency and growth. I lead a diverse team, fostering a collaborative and innovative work environment that encourages excellence and continuous improvement. By developing and implementing strategic plans.
- I ensure alignment with organizational goals and drive successful execution across departments. Through data-driven analysis, I identify areas for process improvement and cost optimization, resulting in streamlined workflows and increased profitability. Additionally, I actively engage with key stakeholders, forging strong relationships with suppliers, partners, and clients to enhance business opportunities and maintain exceptional customer satisfaction.

PROFESSIONAL EXPERIENCE

Finance Manager

2019 - 2021

Perbadanan Insurans Deposit Malaysia (PIDM)

- I lead a skilled team and oversee all aspects of financial operations and planning for the organization. I am responsible for managing budgets, financial forecasting, and analyzing financial data to provide actionable insights to senior management. Through effective cost management strategies and risk assessment,
- I have successfully optimized financial performance, contributing to consistent revenue growth and profitability.
- I collaborate closely with various departments to support decision-making processes, ensuring alignment with financial objectives and regulatory compliance. Over my tenure, I have implemented process improvements that have enhanced efficiency and accuracy in financial reporting and contributed to PIDM continued success and minimize audit findings.

Head of Finance
& Business Operations
– Prestariang Systems
Sdn Bhd

2015 – 2019

- I hold a multifaceted role that entails overseeing and optimizing both financial and operational aspects of the company. Leading a proficient team, I am responsible for financial planning, budgeting, and forecasting, ensuring the alignment of financial goals with overall business objectives.
- My expertise in financial analysis enables me to provide valuable insights to senior management, supporting data-driven decision-making and facilitating the company's growth strategies.

Senior Administration
& Finance Manager

2019

Badminton Asia Confederation (BAC)

- I provide strategic leadership and oversight to both the administration and finance departments.
- I lead a dedicated team, fostering a collaborative work environment that encourages professional growth and ensures efficient operations. In the finance domain, I am responsible for managing budgets, financial planning, and forecasting, while also conducting in-depth financial analysis to support decision-making at the executive level.
- My comprehensive approach to managing both administration and finance functions has resulted in a streamlined and integrated approach, driving BAC success and being a role model for other confederations under Badminton World Federation (BWF).

Assistant Finance Manager –
Perbadanan Insurans Deposit
Malaysia (PIDM)

2010 - 2015

- Provide support to the Finance Manager in the day-to-day accounting, financial and payables operations, financial accounting, payables, receivables, treasury and fixed assets.
 - In addition, I also provide support to the development and implementation of the departmental, divisional as well as Corporate-wide plans and objectives and need to adhere to the controls and procedures set down to ensure the Corporation is not unduly exposed to financial and operational risk.
-

PROFESSIONAL EXPERIENCE

Assistant Auditor – 2004 - 2010
Jabatan Audit Negara
(JAN)

- I actively contribute to the audit processes and financial assessments of various government entities. Working closely with the audit team, I am involved in conducting comprehensive audits to evaluate the effectiveness, efficiency, and compliance of public sector organizations.
- My responsibilities include gathering and analyzing financial data, verifying transactions, and reviewing internal controls to ensure transparency and accountability in the utilization of public funds. Additionally, I participate in the preparation of audit reports, highlighting findings and recommending corrective measures to improve financial management and operational practices within audited agencies.
