Northern Corridor Implementation Authority | Penang, Malaysia

Industry	Consulting (Business & Management)
Specialization	Finance - Corporate Finance/Investment/Merchant Banking
Role	Treasury/Corporate Finance
Position Level	Manager
Monthly Salary	MYR 9,300

Distribute the financial resources of the organisation, is responsible for the budget planning, and support the executive management team by offering insights and financial advice that will allow them to make the best business decisions for the organisation - Northern Corridor Economic Region (NCER) or 'Koridor Utara'.

Achievements

Kedah Rubber City (KRC) – Proposed business model that suits the appetite of top management and investors. KRC was launched by the Prime Minister in February 2022.

entrepreneurNCER – Spearheaded and personally brought onboard CIMB and Affin Bank for this initiative. Assisting micro entrepreneurs and SMEs to ensure viability/sustainability.

Member of Technical Evaluation Committee – Development of Pulau Pangkor Passenger and Cargo Jetty Terminal and Complex, Perak.

Ivory Glove (glove maker) – Due diligence process done to dispose government asset to another private entity.

Airborne Geophysical Survey (AGS) – Initiated the revival of AGS in NCER, which has been deadlocked since November 2020.

Tessolve (semiconductor solution company) – Risk management process done to ensure NCIA does not lose out in 'selling out' talents to industry players such as Intel, Boston Scientific, Western Digital and many more (Penang and Kedah).

TWI South East Asia (expert engineering and training company) – Coordinated Asnafs within northern region i.e. Yayasan Sime Darby, into welding courses enrolments.

Conduct data analysis, planning and strategising, and advising the management of NCIA. Investigate ways to improve profitability, and analyse markets for business opportunities. Analyse market trends and competitors, as well as predict future financial trends. Ensure the risk mitigation of certain projects are adhered.

Responsible for all financial transactions including managing and investing large funds and buying & selling financial projects such as industrial parks of northern corridor economic regions and its 4 states (Penang, Kedah, Perak & Perlis).

These parks help spur the growth in high-value manufacturing of key products and play an important role in catalysing growth down an industry's value chain, creating a network of supporting industries and suppliers which leads to a more complete business ecosystem.

Accountable for the complete process of handling large transactions, from planning and research through to execution and delivery of the deal. Responsible for undertaking due diligence across all transactions.

Play a vital role in creating strategic partnership with several financial institutions (CIMB Bank, Affin Bank, Bank Islam, SME Bank etc.) to assist SMEs and micro enterprises that need to restart, grow and sustain their business post COVID-19.
