Employment History

Senior Manager, Financial Reporting and Analytic

AmBank (M) Berhad (June 2017 - April 2021)

The following are my roles and responsibilities:-

- Assist Unit Head in day to day operations by implementing adequate controls and monitoring procedures in ensuring **Completeness, Confidentiality, Accuracy and Timeliness (C.A.T. standard)** of all schedules and non-schedule Statistical, Financial and Credit reporting to BNM, PIDM, External Parties and Management Reporting.
- Complying with deadline for BNM reporting, PIDM, External Parties and Management Reporting.
- Analyzing and reviewing the statistical and asset quality and incorporating to the Management report for decision making.
- Managing and implementing new reporting launched by BNM/External Parties and regularly reviewing the supporting systems; such as MUREX, BANCs and GLOBUS that provide input for BNM reporting and requirements,
- Providing support, advisory and training to other departments in respect of BNM guidelines and standards.

Wealth of experience and tract record of achievements:-

- BNM report enhancement via QlikView as a reporting tool and financial analysis.
- Updated BNM reporting manuals and guidelines for internal use and circulation within AmBank Group.

Senior Business Finance Manager (BFM), Retail Banking

AmBank (M) Berhad (January 2010 - May 2017)

- Responsible for preparation of monthly analysis and review of key drivers and financial performance of Retail businesses.
- Prepare financial forecast and annual budget.
- Evaluate risks and opportunities of forecast compared to actual results. Engage with Head of Retail Businesses to monitor results and gap closure plans.
- Review and support business with financial analysis for new business initiatives, projects' benefits and campaigns.
- Manage month-end closing process for income and expense.
- Liaison with internal and external auditors as well as queries from Group.

- Opportunity to work with Retail Business; i.e. Wealth Management, Personal Financing, Digital Banking, Hire Purchase and SME Departments

Wealth of experience and tract record of achievements:-

- Project Manager for Retail Banking in GST project.
- Develop financial and business calculator for forecasting and provisioning.

Assistant Manager (Unit Head), Retail Banking

AmBank (M) Berhad (October 1996 - December 2009)

- Provide training and guidance to Branches personnel on Balance Sheet and ledger account reconciliation. Visit branch as and when required.
- Problem solver on account/ledger reconciliation related matters
- Review and analyse BSAM (Balance Sheet Account Management Reporting) from branches. Follow up with branch's personnel on abnormality items.
- Provide relevant documents and recommendation papers to Senior Management for decision making.

Wealth of experience and tract record of achievements:-

- Involved in core banking system project (BANCs) and GL financial system (Computron GL)
- Participated in system integration between AmFinance Berhad and AmBank Berhad,
- Participated in system integration between MBf Finance Berhad and Arab Malaysian Finance Berhad (formerly known as AmFinance Berhad)
