SENIOR CARDIOVASCULAR TECHNOLOGIST AT SUNWAY MEDICAL CENTRE, KUALA LUMPUR

Jan 2015 – June 2016

- Employed specialized procedural knowledge and equipment to test and document patient cardiac activity.
- Conducted electrocardiogram, echocardiogram, stress tests, stress echo and dobutamine stress echo by using electronic test equipment and recording devices.
- Operated diagnostic hemodynamic monitoring equipment to complete imaging contrast-enhanced heart and cardiovascular system radiographs.
- Helped physicians complete cardiac issues and peripheral vascular concerns by assisting with procedures such as balloon angioplasties and peripheral interventions.
- Assisting in charged manager in department management task (Duty roster, on-call rotation etc.) and supervised 5 junior CVTs on clinical application.

CARDIOVASCULAR TECHNOLOGIST AT INSTITUT JANTUNG NEGARA, KUALA LUMPUR

Jan 2009 – Dec 2014

- Employed specialized procedural knowledge and equipment to test and document patient cardiac activity.
- Conducted electrocardiogram, echocardiogram, stress tests, stress echo and dobutamine stress echo by using electronic test equipment and recording devices.
- Operated diagnostic hemodynamic monitoring equipment to complete imaging contrast-enhanced heart and cardiovascular system radiographs.
- Helped physicians complete cardiac issues and peripheral vascular concerns by assisting with procedures such as balloon angioplasties and peripheral interventions.

CARDIOVASCULAR TECHNOLOGIST AT KEDAH MEDICAL CENTRE, KEDAH

July 2008 – Dec 2008

- Employed specialized procedural knowledge and equipment to test and document patient cardiac activity.
- Conducted electrocardiogram, echocardiogram, stress tests, stress echo and dobutamine stress echo by using electronic test equipment and recording devices.
- Operated diagnostic hemodynamic monitoring equipment to complete imaging contrast-enhanced heart and cardiovascular system radiographs.
- Helped physicians complete cardiac issues and peripheral vascular concerns by assisting with procedures such as balloon angioplasties and peripheral interventions.
- Involved in managing of cardio clinic and invasive lab management.

EDUCATION

CERTIFIED IN CARDIOVASCULAR AND THORACIC SCIENCES - 2009

Institut Jantung Negara College, Kuala Lumpur, Malaysia.

DIPLOMA IN MEDICAL ASSISTANT – 2005-2008

Kolej Islam Sains dan Teknologi (KIST), Bachok, Kelantan.

CERTIFIED IN MALAYSIAN EXAMINATION SYNDICATE (SPM) - 2004

Sekolah Menengah Kebangsaan Mergong, Alor setar,
Kedah.

ACHIVEMENT

1. AHA Advance Cardiovascular Life Support Course by I Accelerate Kuala Lumpur – July 2024
2. Basic Life support Course by Gleneagles Kuala Lumpur – July 2024
3. NHAM Congress 2024 – May 2024
4. MSCVT Credentialing Council by National Registry Cardiovascular Technologist – Feb 2024
5. 3Rd Asia Pacific Acute Myocardial Infarction Congress 2023 (APAMIC) – Sep 2023
6. Completion course of Getting Things Done (Brunei) – Oct 2022
7. Acknowledgment of Long Service Awards (5 years' service) by Gleneagles JPMC Brunei
8. Participate in Infection Refresher Course 2021- Brunei
9. Participate in Fire Marshal Course by Jabatan Bomba dan Penyelamat Brunei – Oct 2019
10. Participate in Infection Control Refresher Course by Gleneagles JPMC – Sep 2019
11. Participate in ECG analysis and Interpretation course (Univervisiti Brunei Darussalam) – July 2019
12. BLS provider course by AHA BLS program (Brunei) – Oct 2018
13. Participate in Infection Control Refresher Course by Gleneagles JPMC – Sep 2017
14. Cardiac Society Brunei Darussalam (The Rizqun International Hotel) – Oct 2016
15. Basic Life Support Course (Gleneagles JPMC) – Oct 2016
16. Conducting Basic Cath Lab Training for Young Clinician, Allied Healthcare & industrial New Hire (IJN College) – May 2014
17. Conducting FFR & OCT Technical Training for Allied Healthcare Professionals (IJN college) – April 2014
18. Participate in Asian International Therapeutics (AICT2013) Bangkok, Thailand - OFDI
19. Participate in Basic Cath Lab Symposium - 2013 IJN (IJN College)
20. Participate in Kuala Lumpur Valve Summit - August 2013 (Hilton Hotel)
21. Completed Advance Cardiac Life Support (ACLS) In University Malaya - Oct 2011
22. Participate in Asian Pacific Congress of Cardiology (APCC) - May 20011
23. Completed Schiller MT200 Holter Monitoring and Analysis OCT - 2009
24. Participate in Malaysia LIVE 2009 (Live Transmission Interventional Symposium at Hilton Hotel)
25. Participate in MSCVT - Feb 2009 (IJN)
26. Participate in Basic Life Support and First Responder Course - Jun 2008 (KIST)
27. Participated in Kursus Bina Negara Mahasiswa in Kem Desa Mahmood (B) Kelantan.
