## WORK EXPERIENCE

---

### EY Malaysia

#### Supervisor – Strategy and Transaction

2024 – Present

- Part of the mergers and acquisition department focusing on financial due diligence for corporate clients and private equities.
- Led discussions with Management to obtain an understanding on the acquisition target's key business drivers and fluctuations noted within the management accounts.
- Identification of key areas of concern that may pose as a risk to the buyer post-acquisition (i.e. incorrect accounting treatments, weaknesses in internal controls, leakages in revenue, hidden costs post-acquisition etc.)
- Prepared key financial analysis on the management accounts and conducted in-depth discussion with the Partner in Charge.
- Involved in the preparation and review process of the due diligence report.
- Guided a team of up to 3 persons per project to ensure they are on the right direction and are able to understand the sections assigned to them sufficiently.

#### Senior Associate - Audit

2021 – 2024

- Worked in the Financial Services Audit Department and specializes in the Insurance industry.
- Worked on engagements such as Maybank Ageas Holdings Berhad Group, Berjaya Sampo Insurance Berhad, Malaysian Reinsurance Berhad, Principal Asset Management Berhad, etc.
- Acting manager for multiple audit engagements of different industries such as shared service centre, reinsurance companies, venture capitals and associations.
- Participated in a secondment program to the Strategy and Transactions department and assisted on providing valuation advisory services to non-audit clients.
- Lead a team of people to perform the audit and provided guidance to juniors in regard to their scope of work as necessary.
- Worked together and held discussions with various personnel such as EY Actuary, EY TR, EY FAAR and Client Group and Component Auditors throughout the audit.
- Lead discussions with EY executives and client to resolve issues that have arose throughout the audit.
- Prepared presentations to go through with EY executives and clients during the planning and conclusion stages of the audit.

### PwC Malaysia

2019 – 2021

#### Audit Associate

- Worked under a team to audit companies from various industries such as Insurance, Pharmaceuticals, etc.
- Worked on engagements such as Allianz General Insurance Berhad, AXA Affin General Insurance Berhad, etc.
- In charge of the audit of multiple sections within the financial statements and preparation of reports.
- Part of the due diligence team for a potential acquisition project.
- Worked directly with client to resolve issues and gain an understanding of internal processes.

### KPMG Malaysia

2017 – 2017

#### Vacation Trainee

- Interned at KPMG Malaysia for 3 months to gain an initial understanding on the audit process.
- Worked closely with the team to go through the audit work and understood the reasoning behind the work being performed.
- Communicated with client directly to resolve issues as they arise.
