ABOUT ME

Detail-oriented Chartered Accountant with over five years of Big Four experience in Malaysia and Singapore, delivering expertise in risk assessment, financial audits and stakeholder engagement. Skilled in financial analysis & reporting, stakeholder collaboration and team leadership, with a strong foundation in regulatory compliance and business operations. Enthusiastic about applying technical expertise and analytical skills to contribute to the organisation, supporting teams in delivering effective solutions, improving processes and driving success.

WORK EXPERIENCE

PwC, Singapore – Assurance Department (External Audit)

- **Assistant Manager** (July 2024 – Present)
- **Senior Associate** (June 2022 – June 2024)
 - Analysed financial statements for companies in oil & gas, logistics, chemical, aviation, power & renewables and construction sectors, ensuring accuracy and compliance with international standards (IFRS).
 - Led cross-functional teams of up to ten members, coordinating workflows and delivering actionable financial insights under tight deadlines.
 - Supported group reporting for multinational entities, consolidating financial data across international subsidiaries.
 - Strengthened client relationships, facilitating seamless communication and trust in high-stakes engagements.

Deloitte, Singapore – Assurance Department (External Audit)

- **Senior Associate** (Jan 2022 – May 2022)
 - Conducted financial reviews in the logistics sector, ensuring accuracy and compliance with international standards (IFRS).
 - Mentored junior team members, fostering a culture of precision and accountability in financial deliverables.

Ernst & Young (EY KL, Malaysia) – Assurance Department (External Audit)

- **Senior Associate** (Oct 2021 – Jan 2022)
 - **Associate** (Dec 2019 – Oct 2021)
 - Planned and executed audits for listed and non-listed entities in the construction, media & entertainment and manufacturing industries.
 - Collaborated with engagement managers and team members to address compliance challenges and uphold governance standards.
 - Cultivated robust client partnerships, ensuring alignment on audit objectives.
-
