Microsoft Office Suite (Excel, Word, PowerPoint)

Accounting Software (e.g. Power BI, Microsoft Dynamics)

CERTIFICATION

Association of Chartered Certified Accountants (ACCA)

POSITION OF RESPONSIBILITY

Microsoft Dynamics Oversight (BC INVEST)

- Coordinated with vendors weekly to resolve issues and address updates.
- Reduced storage capacity below thresholds by resolving recurring errors.
- Drafted a new permission set for finance team members, aligned with job scopes and designations.
- Spearheaded the transition from PA MDM to Dynamics MDM, achieving significant cost savings.

PROFILE

ACCA Affiliate with 2 Years' Experience in Audit and Accounting | Eager to Grow in a Finance or Analyst Role at a Global Company

I'm a finance enthusiast with hands-on experience in both audit and accounting—currently working as an accountant after a year in external audit. I enjoy working with numbers, spotting trends, and finding ways to make processes smoother. Now, I'm looking to take the next step in my career with a role that challenges me to think deeper, contribute to bigger-picture goals, and grow into a well-rounded finance professional in a multinational setting.

WORK EXPERIENCE

ACCOUNTANT

BC INVEST (provides asset management and mortgage lending services) June 2024 - Present

- Handle trust accounts for a financial services business acting as Special Purpose Vehicles (SPVs).
- Manage bank reconciliations and month-end closings, ensuring accuracy and compliance.
- Analyze variances in monthly interest income received and interest expenses incurred.
- Prepare and submit ABS (Australian Bureau of Statistics) reports on a quarterly basis.
- Assist tax operations by classifying and reconciling tax-related assessments, including RITC.
- Collaborate with the Accounts Payable (AP) team to ensure timely payments and prevent missing invoices.
- Work closely with the treasury team to draft payment directions and monitor cash flow effectively.
- Oversee the use of Microsoft Dynamics (accounting software), previously managed by the finance manager.

AUDIT ASSOCIATE 2 Apr 2024 - May 2024

AUDIT ASSOCIATE 1 July 2023 - Mar 2024

TGS TW PLT July 2023 - May 2024

- Prepare working papers that elaborate on the audit procedures, identify findings, and draw conclusions to provide robust evidence and underpin the audit opinion.
- Analyze financial statements, comparing them to industry benchmarks and historical data to detect trends, anomalies, or potential problems
- Collaborate with team members and communicate with clients to gather necessary information, address queries, and clarify findings
- Met with clients to identify and assess business controls, risks and workflow inefficiencies.
- Administered auditing program to address risks and evaluate compliance with regulatory requirements
- I've held the position of staff in charge for three distinct portfolios, overseeing two investment holding companies and one trading company known as MYEG Medical Services Sdn Bhd.
