## EXPERIENCE

### Finance & Reporting Accountant, Snappymob Sdn Bhd

Apr 2025 - Present

- Manage and streamline billing and collections processes, ensuring accurate, timely invoicing and effective recovery.
- Conduct a detailed review of contracts and proposals to ensure 100% accuracy of all billing terms before execution.
- Provide weekly and monthly insights on sales performance and gross margin analysis to the management team.
- Oversee client payment processes and optimize cash flow management.

### Team Lead - Accounting & Finance, MoneyMatch Sdn Bhd

Jan 2025 - Mar 2025

- Lead and supervised the finance team in managing full-set accounts, ensuring accurate financial records, and compliance for the company and its subsidiaries locally and internationally.
- Spearheaded the preparation of the group's annual budget and financial forecasts, supporting data-driven decision-making.
- Provided strategic financial insights through the preparation and analysis of monthly management reports, comparing actual performance against budgeted figures across all departments.
- Conducted financial due diligence on potential business partners, evaluating risks and financial viability.
- Mentored team members, providing guidance, training, and performance oversight to enhance the team's efficiency and improve productivity.
- Oversaw the preparation of financial statements and annual financial audits, engaging with local and international auditors to ensure a smooth audit.
- Involved in recruitment efforts, conducting interviews and assessments for new hires and interns.
- Acted as a key liaison with external stakeholders, including auditors, bankers, and business partners, when needed.

### Accounting Associate, MoneyMatch Sdn Bhd

Jan 2023 - Jan 2025

- Managed full set of accounts, maintaining accurate financial records for the company and its subsidiaries, both locally and internationally.
- Responsible for the daily financial and accounting operations – ensuring timely payments and balanced cashflow management.
- Prepared financial statements and conducted the annual financial audits of the company and its subsidiaries.
- Drove process improvements by collaborating with in-house programmers, streamlining accounting workflows, automating reconciliations, and reducing operational inefficiencies.

### Officer, Financial Operations (GL), 7-Eleven Malaysia Sdn Bhd

Aug 2022 - Dec 2022

- Responsible for franchise accounting - preparation of monthly profit and loss statements for all franchise stores.
- Ensured timely disbursement of franchisee's share of profit to franchisees.
- Responsible for the timely payments of rent for all stores across Malaysia
