## WORK EXPERIENCE

### SALIHIN Consulting Group Sdn Bhd –Director, Advisory

2023 - Current

- Lead the Advisory division, driving engagements in corporate finance, restructuring, valuations, IPO readiness, and strategic consulting across multiple industries.
- Advise on fundraising and capital market transactions, M&A, and joint ventures, ensuring regulatory and compliance alignment.
- Oversee project delivery and teams, ensuring high-quality outputs, risk management, and value creation for clients.
- Drive business development and strategic collaborations with state governments, agencies, and private equity, positioning the firm as a trusted advisor.

### Serba Dinamik Holdings Berhad – Financial Controller / Chief Financial Officer

2017 – 2022

- Led multiple fund-raising and corporate exercises, including private placements, Islamic bond issuances, share splits, bonus issues, free warrants, and M&A transactions in both domestic and international markets.
- Coordinated quarterly reporting and presentations for Board and Committee meetings, ensuring timely delivery of financial and strategic updates to stakeholders.
- Directed financial forecasting and budgeting, setting goals aligned with market expectations and resource availability.
- Ensured strict compliance with statutory and regulatory requirements, including MFRS, Bursa Listing Requirements, Capital Markets and Services Act, Income Tax Act, Companies Act, and corporate governance standards.
- Provided strategic corporate finance support to strengthen capital structure and enable sustainable business growth.

## **Schlumberger – Operation Controller / Financial Analyst / Management Accountant**

2009 – 2017

- Oversaw financial management and profitability across Southeast Asia, including forecasting, working capital optimisation, receivables, asset efficiency, and inventory control.
- Reviewed major tenders, contracts, and bids, assessing risks, opportunities, and profitability implications.
- Provided financial analysis through monthly P&L and balance sheet reviews, performance monitoring, and variance analysis.
- Ensured accuracy of financial reporting, reconciliations, and compliance with accounting and tax requirements.
- Delivered financial and tax advisory on business structures and operations, supporting strategic decision-making.
- Trained and coached line managers on financial principles, performance drivers, and interpretation of statements.
- Contributed to internal audits across multiple international locations, strengthening controls and compliance.

## **KPMG - Senior Associates**

2005 - 2009

- Led statutory financial audits for clients in oil & gas, banking, trading, and manufacturing industries, ensuring timely compliance with regulatory requirements.
- Planned, executed, and supervised audit engagements, including budgeting, staff delegation, fieldwork review, and completion of audit reports.
- Evaluated clients' accounting systems and internal controls, providing practical recommendations to address weaknesses and enhance operational efficiency.
- Developed strong analytical expertise in assessing financial performance, position, risks, and future prospects across diverse industries.
- Well-versed in Malaysian Accounting Standards, Companies Act, and Income Tax Act, with extensive experience in statutory financial statement reviews and regulatory compliance.
- Experienced in group consolidations, as well as reviewing profit forecasts, cash flow projections, and business plans.
